

Trek Parts

TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning business. The company's founders, Chris Knowlton, Bob O'Hara and Jim Hartsock, have more than 60 years combined experience with successfully developing, marketing, manufacturing, designing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their clients and are devoted to giving top quality and new design concepts so as to meet the diverse requirements of their clients.

TREK Cleaning Machines continually provides fresh design concepts as proven in their product development. They enjoy providing items which energize both their dealers and their partners and offer production gains to their clients.

The team at TREK enjoys handling new tasks and challenges. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the comprehension of operators' requirements and skills together with their understanding of cleaning applications, together with owners' strong desire to considerably reduce cost through productivity gains.

The employees at TREK and their dealer-partners are really dedicated to having both technical support and parts obtainable when it is needed. Their high service dedication is one of the core values in their customer service. Keeping their customers' cleaning equipment working and ready everyday is top priority. The company's top of the line technology delivers reliable equipment that ultimately lessens your cost of cleaning. The price, the service and the product all work as one to make them the leader in the industry.
